

Alumni Membership:

Any former member who has retired or is no longer working for a Tennessee local government who supports the mission of TCMA is eligible for membership provided they meet the following criteria:

- a. Having been a member in good standing of TCMA for a minimum of three (3) years.
- b. Are not employed by a company actively seeking or doing business with TCMA or its member cities or towns.

Alumni members shall participate in the Association within the following parameters:

- a. Membership dues shall be \$50.00 annually.
- b. They may attend the annual TCMA conferences at the same cost as full and associate members.
- c. They are ineligible to hold office in the Association and do not have voting privileges in the affairs of the Association.

Any Alumni member who returns to employment with a local government in a position that would qualify for membership in TCMA under either the Associate or Full member category will cease to be an Alumni member and must convert their membership to the appropriate membership category to remain a member of the Association.
